Burg Burgers

From Mapperley to Wollaton in seven months

Demand behind the second opening

Shani opened Burg in Mapperley in October 2021. As orders grew, the first kitchen struggled to keep up. In May 2022, Shani opened a second takeaway on Bramcote Lane in Wollaton to meet that demand.

£250,000 a month

Combined sales sustained for many months across both sites, according to Shani.
